Face Coverings in Churches

Guidance from Archbishop Martin (Apostolic Administrator)

At this time, both in Northern Ireland and in the Republic of Ireland, the governments have not formally made mandatory the wearing of face coverings at services of worship. This is, in part, due to the fact that as churches we are committed to maintaining 2 metre physical distancing between household groups and strict adherence to all government guidance on hand hygiene, cleaning, ventilation, etc.

However, following further recent consultations with public health authorities, I, along with other Christian church leaders all over this island, am formally recommending and encouraging the use of face coverings at all Masses and other liturgical celebrations, along with the ongoing maintenance of 2 metre physical distancing, with immediate effect or as soon as practicable.

I understand that some people are exempted from the wearing of face coverings, as outlined in the two jurisdictions:

<https://www.nidirect.gov.uk/articles/coronavirus-covid-19-face-coverings> and

<https://www.gov.ie/en/publication/aac74c-guidance-on-safe-use-of-face-coverings>.

I also recognise that whilst it may not be appropriate for the celebrant and some others (for example Ministers of the Word) to wear face coverings, they should at all times continue to maintain at least 2 metre distancing from one another, and 4 metres distancing from the front row of the Congregation.
