- In the spirit of openness and transparency, the Boards of Governors of St Patrick's Primary School and St Paul's Primary School wish to bring to your attention an announcement from the Department of Education on the draft budget for 2015 - 2016 (published on www.deni.gov.uk). It is proposed that there will be a 7% reduction in the baseline budget for the Department of Education. In already challenging financial times for schools, this will have major implications for us and tough decisions are likely to be faced on how best to live within this level of funding. We will be submitting a response to the proposals contained within the consultation document on behalf of the school body. Parents are encouraged to access the deni website and make individual representation on the draft proposals. Consultation runs until 29th December 2014.
