#### ✠ NOVEMBER REMEMBERING OUR BELOVED DEAD ✠

It is appropriate that into the month of November we place our remembrance and prayers for the dead. It is the month of the churchyard and the cemetery where we remember those who flourished in our lives and whose names are carved in sentences as short as life itself. They had the springtime of their youth when life was all promise waiting for adventure. The summer of their days was in founding their own families in days which saw the smile and the tear and then before they realised it the nip of autumn and old age was upon them with all its limitations. Then sadly, like the trees, they let go of life for their season had ended.
