## Reverence in Church

"Let all mortal flesh be silent, standing there...in fear and trembling; for the King of kings, the Lord of lords, Christ our God is about to be sacrificed and to be given as food to the faithful." (St. James)

"Silence is the vital space dedicated to the Lord, in an atmosphere of listening and assimilation of His Word. To remain faithful and zealous, it is necessary to know how to receive the Divine inspirations that come interiorly." (Pope John Paul II)

"Quiet is the first step to sanctification." (St. Basil the Great, Doctor of the Church)

"The worship rendered by the Church to God must be, in its entirety, interior as well as exterior... But the chief element of divine worship must be interior" (Pope Pius XII, Mediator Dei)

"Above all I recommend to you always, recollection, that holy solitude, that inner sacred desert in which your soul ought always to be alone in the bosom of the heavenly Father, in the silence of faith and holy love." (St. Paul of the Cross)
