Reverence in Church: "Nothing so becomes a Church as silence and good order. Noise belongs to theatres, and baths, and public processions, and market-places: but where doctrines, and such doctrines, are the subject of teaching, there should be stillness, and quiet, and calm reflection, and a haven of much repose." (St. John Chrysostom, Doctor of the Church)

"Let all mortal flesh be silent, standing there...in fear and trembling; for the King of kings, the Lord of lords, Christ our God is about to be sacrificed and to be given as food to the faithful." (St. James)

Collection £1280 Thanks for your continued support.
