- **St John the Evangelist Car Park:** Parishioners will be aware that an 'in' and 'out' system was put in place in the church car park during August. This was to improve safety for the pupils of St Patrick's P.S at the morning drop-off and the afternoon pick-up. Now the school year is in full swing we would ask all drivers to pay careful attention to the 'in' and 'out' system. There is a yellow box at the top of the main car park. A yellow box means that stopping or parking in that area is prohibited. Please observe this at all times. The yellow box ensures that there can be a free flow of traffic in a one-way system through the car park. This is especially important for parishioners who attend the 8.45 am Mass each day. Thank you for your co-operation.
