Sponsor a Hospice Nurse Campaign

This month as we celebrate **Hospice Care Week**, we reflect on the amazing support we continue to receive and the challenges we have had to face over the last 19 months. The coronavirus pandemic has been extremely challenging for us at Southern Area Hospice Services. We have had to adapt quickly and ensure that the care of our patients and their families is our top priority. At times it has been heart breaking with reduced visiting and restrictions, but we have always aimed to do our best in these difficult circumstances and ensure families are supported throughout. Our wonderful nurses are the beating heart of Hospice, and we recognise the changes they have had to adapt to but in the most professional and caring of ways. Therefore, we are launching our **Sponsor a Hospice Nurse Campaign** where we are asking you contribute a regular gift to Hospice through a monthly donation in order to support our future. By sponsoring a nurse for a gift as little as £10 per month you will be helping our hospice to care for and support patients and families today, tomorrow and into the future. To sign up to Sponsor A Nurse visit our website at www.southernareahospiceservices.org/sponsor-a-nurse or contact us on **028 302 67711**. We can only continue to care because you do. *Thank you.*
